Sushrut Kale

Computer Science & Engineering (AI/ML)

sushrutkale13@gmail.com | +91 8767311967 | Pune, Maharashtra

LinkedIn | GitHub | Portfolio

Profile

Computer Science and Engineering student specializing in Artificial Intelligence and Machine Learning, with experience in AI-powered application development, full-stack software engineering, and UI/UX design. Interested in developing intelligent, scalable solutions using machine learning, data science, modern web technologies, and algorithmic problem-solving.

Education

MIT Academy of Engineering (MITAOE) **2025–2029**
B.Tech. CSE (AI & Machine Learning) | CGPA: 8.9/10 *Pune, India*

Sri Chaitanya *Pune, India*
Class XII | HSC Percentage: 75.67%
Class X | SSC Percentage: 97.20%

Technical Skills

Programming Languages: Python, C++, JavaScript (ES6+), TypeScript, SQL
AI/ML & Data Science: PyTorch, TensorFlow, scikit-learn, NumPy, Pandas, OpenCV, SHAP, Feature Engineering, OCR, Machine Learning, Data Analysis, Data Visualization
Full-Stack Development: MERN Stack (MongoDB, Express.js, React.js, Node.js), Next.js, REST APIs, HTML5, CSS3, Tailwind CSS
Backend & Databases: FastAPI, PostgreSQL, MySQL, MongoDB, API Integration, Authentication, Database Design
Data Structures & Algorithms: Merge Sort, Sorting and Searching Algorithms, Algorithmic Problem-Solving, Code Optimization
MLOps & Developer Tools: MLflow, Evidently AI, pytest, Git, GitHub, Linux, Performance Benchmarking, Piston
Additional Technologies: Godot Engine, GDScript, Manim, Computer Vision, UI/UX Design, Software Development, Open-Source Development

Experience

MITAOE Summer Internship
Software Development & AI Projects *Pune, India*
- **AI-Based Timetable Generation:** Contributed to the development of an AI-based system for academic timetable generation.
- **AI-Integrated Student Engagement Platform:** Worked on a platform designed to support student engagement through AI integration.
- **3D Digital Model of the College:** Contributed to developing a 3D digital representation of the college campus.
- **Software Development & UI/UX Design:** Contributed to application development and user interface design.

Vertex — GameDev & Animation Club, MITAOE
Technical Member *Pune, India*
- Contribute to technical and game-development initiatives; participate in collaborative technical activities and learning initiatives.

ASTRA — AIML Department Association
Technical Team *Pune, India*
- Contribute to technical initiatives and activities associated with the AIML department.

E-Cell MITAOE
Marketing & PR *Pune, India*
- Support event promotion, marketing activities, and entrepreneurship-focused initiatives.

Projects

Sanchay AI | *AI/ML, Financial Technology* GitHub
- AI-assisted fraud and anomaly detection solution focused on financial risk analysis and public-fund project oversight.
- Focuses on identifying suspicious patterns and supporting data-driven decision-making.

AgriN — Regenerative Agricultural Intelligence | *Agriculture Technology* GitHub
- Developed an agriculture-focused solution addressing regenerative agriculture challenges, applying technology to agricultural intelligence and farm-related decision-making.

Unnati | *Software Development* GitHub
- Developed a technology-based solution addressing the project's core problem statement.

HBTM | *Hackathon Project* GitHub
- Developed a solution for a hackathon problem statement through technical problem-solving.

Paytm Project | *Financial Technology* GitHub
- Financial technology project focused on payment-related functionality.

Achievements

- **First Runner-Up, HBTM at IIIT Pune** — Secured second place in a 24-hour national hackathon by developing a solution to the given problem statement.
- **1st Place, Fund Arcade** (Pune Start-Up Fest '26, COEP) — First place in a startup analysis and investment decision competition.
- **Smart India Hackathon 2026 Internal Round Qualifier** (Team Agastya_01) — **PS-26102**: AI fraud and anomaly detection for the MPLADS Scheme; **PS-26239**: AI-enabled Scholarship and Fellowship Management System for Scheduled Tribes.
